### Exhibit Spaces:

The Papermill Gallery spaces are multi-purpose spaces used not only for art exhibitions, but for private rentals such as weddings, receptions and parties, museum uses, such as education and public program space, art workshop space, meeting space and food and beverage service area. The Event Gallery is used on an ongoing basis as the theatre lobby area, and often this involves consumption of food and beverage in the area. All artwork in the Event Gallery must be wall-mounted. Three-dimensional wall mounted pieces will be considered. All artwork must be glazed and/or behind glass to protect from superficial damage. **The artist is liable for any damage to an artwork that is not properly protected.**
